

Time Schedule of Planned Maintenance, Construction and Conversion Work

Measure	Station name	Downstream grid operator	from	to	Capacity relevance
Conversion Work	Lindau Gaswerk	Stadwerke Lindau GmbH	01.07.2025	04.07.2025	Capacity restriction RC Lindau; further capacity restrictions can be avoided using switching measures and alternative supply.
Maintenance	Fronhofen 1, Fronhofen 2, Fronhofen Heizung, Fronhofen Trocknung	terraneTS bw GmbH, Speicheranbindung, Letztverbraucher, Letztverbraucher	10.06.2024	14.06.2024	Capacity restriction Fronhofen 1, Speicher Fronhofen, RC Fronhofen Heizung, RC Fronhofen Trocknung; further capacity restrictions can be avoided using switching measures and alternative supply.
Maintenance	Reilingen 2	Netze-Gesellschaft Südwest mbH	22.04.2024	17.05.2024	Capacity restriction RC NGS-Nordbaden; further capacity restrictions can be avoided using switching measures and alternative supply.
Conversion Work	Bahlingen-Rheintal	bnNETZE GmbH	01.06.2026	31.07.2026	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Bahlingen-Rheintal	bnNETZE GmbH	01.06.2026	31.07.2026	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Freiburg-Nord	bnNETZE GmbH	01.05.2026	30.09.2026	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Construction Work	Blaubeuren-Kühnenbuch	Technische Werke Blaubeuren	01.06.2025	30.09.2025	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Pigging GVO	Käferfresser	TWS Netz GmbH	03.03.2025	02.10.2025	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Construction Work	Lampertheim IV	terraneTS bw GmbH	25.11.2024	05.12.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Construction Work	Lampertheim IV	terraneTS bw GmbH	25.11.2024	06.12.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Biberach-Häusern	e.wa riss Netze GmbH, terraneTS bw GmbH	23.09.2024	27.09.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Construction Work	Heilbronn-Nord	Heilbronner Versorgungs GmbH	23.09.2024	27.09.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Mössingen	FairNetz GmbH	23.09.2024	27.09.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Maintenance	Niederbiegen	TWS Netz GmbH	10.09.2024	20.09.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Construction Work	Metterzimmern	Netze BW GmbH	02.09.2024	29.11.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Construction Work	Heilbronn-Nord	Heilbronner Versorgungs GmbH	02.09.2024	29.11.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Sinsheim/Weiler	MVV Netze GmbH	01.06.2024	31.07.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Freiburg-Betzenhausen	bnNETZE GmbH	01.06.2024	30.09.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Hausach, Haslach-Kinzig	bnNETZE GmbH, bnNETZE GmbH	01.06.2024	31.07.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Bönningheim (Brackenheim)	Energienetze Offenbach GmbH	01.06.2024	31.07.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Karlsdorf	Netze-Gesellschaft Südwest mbH	01.06.2024	30.09.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Conversion Work	Haslach-Kinzig	bnNETZE GmbH	01.06.2024	31.08.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Maintenance	Freiburg-Nord	bnNETZE GmbH	15.04.2024	19.04.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
Construction Work	Wächtersbach, Salmünster	Main-Kinzig Netzdienste GmbH, Main-Kinzig Netzdienste GmbH	04.03.2024	17.04.2024	Despite the planned measures terraneTS bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.

Time Schedule of Planned Maintenance, Construction and Conversion Work

Measure	Station name	Downstream grid operator	from	to	Capacity relevance
Maintenance	Göppingen I (Gaswerk)	Energieversorgung Filstal GmbH & Co. KG	01.06.2023	31.10.2024	Despite the planned measures terrane ts bw is in close consultation with adjacent grid operators to reduce the capacity restriction on volumes to be shipped in the planned period to a minimum.
